COMPLAINT

I believe I have been discriminated against due to my race and sex. This company is in violation of the civil rights Act of 1964.

I was referred to as the "N" word, and was subject to racial comments and jokes as well as harrassment. This company knew but it took them ten months to make a change. This issue at hand was never resolved. I was also retaliated against by the manager at fault. I feel I am owed 300,000\$ in punitive damages, back pay, yearly bonus I never recieved, stress and anguish.
